

## Picnic table and benches for urban furniture in recycled material h924\_32

Robust picnic table and benches set in recycled plastic. Dimensions: 1500 x 780 x 800 mm.

The **picnic table and bench set in recycled plastic** is designed to guarantee durability and stability in outdoor environments such as parks, public green areas, campsites and recreational spaces. Made of **100% recycled plastic**, this product is an eco-friendly solution that contributes to environmental sustainability and the reduction of plastic waste.

With a length of **1500 mm**, the table and benches offer a large surface ideal for hosting groups of people. The solid and resistant structure has a weight of **200 kg for the table** and **75 kg for each bench**, ensuring stability and safety even in difficult weather conditions or high-traffic areas. The table height of **800 mm** and the bench height of **500 mm** is designed to ensure comfort during use.

This set is ideal for those looking for a product that combines **functionality, resistance and environmental sustainability**. Perfect for improving public or private outdoor areas, it offers a practical and durable solution for creating outdoor socializing spaces.

**Order now** the recycled plastic picnic set for sustainable and resistant urban furniture!

### Technical specifications:

- **Material:** 100% recycled plastic
- **Table dimensions:** 1500 x 780 x 800 mm
- **Table weight:** 200 kg
- **Bench dimensions:** 1500 x 370 x 500 mm
- **Bench weight:** 75 kg each
- **Resistance:** Ideal for outdoor use, resistant to atmospheric agents
- **Maintenance:** Easy cleaning

### User benefits:

- **Eco-friendly:** Made with 100% recycled plastic
- **Durable:** Resistant to all weather conditions
- **Safe:** Stable and robust structure for intensive use
- **Practical:** No maintenance required

### FAQ:

#### 1. Does it require special maintenance?

No, simple cleaning with water and neutral soap is sufficient.

#### 2. Is it suitable for high-traffic public areas?

Yes, the solid structure and weight guarantee stability and durability even in busy environments.

### Mini buying guide:

When choosing a **table with benches for urban furniture**, make sure to opt for durable materials like **recycled plastic**, which offers superior resistance to atmospheric agents without needing maintenance. Consider dimensions and weight to ensure stability in public spaces. This set is ideal for parks, campsites and rest areas thanks to its long life and ease of cleaning.
