Picnic table and benches set for disabled h575_42

Picnic table with backless benches in heat-treated pine and space for a wheelchair. Dimensions 250 x 150 x 74 cm.

The **picnic table with backless benches in heat-treated pine wood** is a solution for furnishing outdoor areas, ideal for parks, pine forests and spaces surrounded by greenery. The configuration includes a table with benches and a **dedicated space for accommodating wheelchairs**, to encourage the use of the station also by people with motor disabilities.

The set is built entirely in **heat-treated pine wood**, a material used to create a sturdy and resistant structure. The benches are backless and integrated into the table configuration, allowing for the organization of a station for resting and outdoor refreshment.

The **rustic design** makes the table suitable for inclusion in various outdoor contexts, particularly in green areas and equipped natural environments.

With overall dimensions of **250 x 150 x 74 cm**, the set allows for a picnic station with a space reserved for the positioning of a wheelchair.
