

Picnic table and benches with wooden slats h109214

Picnic table and benches in galvanized steel and wooden slats. Made in Italy.

Picnic set consisting of a table and two benches ideal for gardens, parks and pine forests. Simple structure in **galvanized steel** and subsequently epoxy powder coated, formed by two tubular lateral supports connected to each other by three tie rods. Four plates with holes for **ground fixing via expansion bolts** are welded to the sides; the assembled structure becomes a single body to prevent users from moving the elements as they wish. The seat and the top are composed of **Nordic pine wooden slats** dim. 110x45 mm treated with a highly fixing and chrome-free autoclave preservative, to preserve the wood against the attack of fungi, mold and atmospheric agents.

Technical features:

- Galvanized and painted steel structure
- Nordic pine wood seats and top
- Fixing via expansion bolts
- Structure available in different colors
- Length: 2000 mm
- Table height: 884 mm
- Made in Italy
