

Picnic table set + 2 benches with backrest h109_357

Picnic set with table and 2 benches with backrest. In galvanized steel. To be bolted down.

Ideal complement for furnishing outdoor spaces, the **picnic table** represents an excellent solution for playgrounds, campsites, public and rural areas. This **picnic set** consists of **1 table + 2 benches with backrest**, made of **galvanized and painted steel**. The table frame is constructed by assembling sheet metal and profiles appropriately shaped to create adequate solidity and allow the fixing of a sheet that acts as the table top itself. **The set is supplied with table and benches separate**. As an **option**, it is possible to request the **pair of connecting bars** that allow all elements to be fixed in the correct position to form the set and bolt it to the ground. The individual elements that make up the set are **to be bolted to the ground**.

Technical features:

- Table dimensions: D. 760 x h. 800 mm
- Bench dimensions: D. 571 x h. 848 mm
- With 2 benches with backrest
- Material: galvanized and painted steel
- Fixing: to be bolted down

Options:

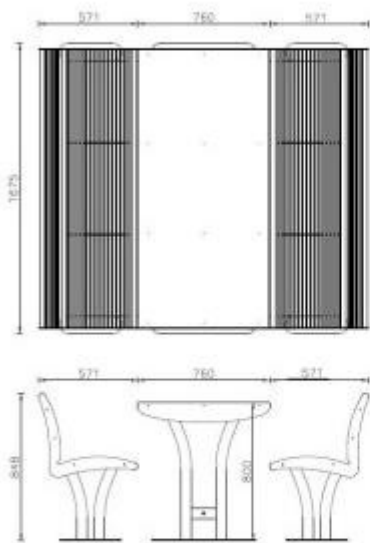

- 2 connecting bars to fix all elements in the correct position and form the set to be bolted to the ground

**Images purely indicative, the set is supplied without connecting bars, which can be purchased separately as an option.*
