Picnic table with benches h109213

Picnic set consisting of a table and two benches in hot-dip galvanized steel and wooden slats. Structure available in various colors. 100% Italian product.

Picnic set consisting of a table and two flat benches ideal for gardens, parks and public courtyards. Sturdy structure in **galvanized steel and epoxy powder coating** formed by two shaped tubular legs resting on an elliptical base that can be bolted to the ground and on the upper part by a plate on which **six Nordic pine wood slats** are fixed with steel bolts, treated with a highly fixed chrome-free autoclave preservative, to preserve the wood against the attack of fungi, mold and atmospheric agents. The two pairs of table legs are connected to each other by a central round tube tie-rod at 15 cm from the ground which **acts as a footrest**. The two flat benches have the same characteristics as the table with an elliptical base and three wooden slats.

Technical features:

- Hot-dip galvanized steel structure
- Seats and top in pine wood
- Structure available in various colors
- Length: 2000 mm
- Table height: 800 mm
- Bench height: 450 mm
- Total weight: approx. 155 Kg
- Made in Italy
