

Picnic table with benches h287_173

Picnic table with steel benches. Dimensions: **W. 150 x D. 190 x h. 82 cm**

Benches and picnic table ideal for picnic areas, parks and gardens. **Frame** made of galvanized steel tubing. Seat, backrest of the benches and table top made using oval galvanized steel tubular slats. The **galvanized steel** parts first undergo a degreasing pre-treatment process for impurities through steam solutions, then dried and subjected to painting operations using electrostatic spray guns that cover the pieces with powder paint in a floury state. Subsequently, the product is subjected to polymerization in an oven, that is, a process that allows the powder to solidify by baking at a temperature of 180/200° C in a hot air circulation oven. The pieces coming out of the oven are cooled naturally. The powders used in the painting process are non-toxic according to current regulations.
