

Picnic table with benches h678_33

High table with high flat benches in galvanized metal with aluminum slats. Slat color: ash wood effect.

High table set with high benches with an **elegant and modern taste**, ideal for furnishing terraces and outdoor environments of bars, restaurants, hotels or public spaces and urban gardens. The **connecting bars** that link the various elements of the set make it extremely lightweight. The **structure** is made of **hot-dip galvanized metal** in a **white RAL 9003 finish**; the **slats** are in **aluminum, powder-coated** with polyester and finished in a realistic **natural ash wood effect** for **maximum resistance**. Prepared for **ground fixing using expansion bolts**.
