Picnic table with cover h575_62

Covered picnic table in heat-treated pine, with two benches with backrest, footrest and anchoring. Dimensions 2758 x 2000 x 2512 mm.

The **picnic table with benches and roof in heat-treated pine wood** is a structure for furnishing outdoor areas intended for rest and refreshment during trips, excursions and walks. It is suitable for installation in hilly and mountain areas, as well as in urban public parks, where it allows families and visitors to eat meals outdoors.

The product is built entirely with **heat-treated pine wood posts and boards** and consists of a table with footrest, **two benches with backrest and a roof**. This configuration allows for a complete picnic station, with integrated seating and cover.

The **heat-treated pine glulam posts** are equipped with brackets for ground anchoring, necessary for fixing the structure in the installation area. Heat-treated wood is intended for outdoor use and replaces the pressure-treated Nordic pine of the previous configuration.

All **fasteners are made of stainless steel** and protected by polyethylene rings and caps, which cover the assembly components.

With overall dimensions of **2758 x 2000 x 2512 mm**, the picnic table with roof is intended for setting up equipped areas for refreshment and outdoor stays.

Technical features

- Type: picnic table with benches and roof
- Material: heat-treated pine wood
- Structure: wooden posts and boards
- Support posts: heat-treated pine glulam
- Configuration: table with footrest
- Seating: 2 benches with backrest
- Cover: integrated roof
- Fasteners: stainless steel
- Fastener protection: polyethylene rings and caps
- Anchoring system: brackets for ground fixing
- Intended use: outdoor environments
- Overall width: 2758 mm
- Overall depth: 2000 mm
- Overall height: 2512 mm
