

Picnic table with roof h575_62

Picnic table with seats and roof. Built entirely with Nordic pine wood posts and boards. Dimensions: W.2758 x D.2000 x H.2512 mm.

The picnic table with benches is ideal for furnishing outdoor areas where trips, excursions and walks are frequently carried out. The product finds its ideal installation in hilly and mountainous areas, but can also be installed in urban public parks, in order to allow families to enjoy meals outdoors. **The product is built entirely with Nordic pine wood posts and boards** and is composed of a table with a footrest, two benches with backrests and a roof. **The laminated Nordic pine posts are equipped with brackets for ground anchoring.** The wooden boards are also pressure-treated in an autoclave to make them resistant to atmospheric agents. **All fixing elements are made of stainless steel and protected by polyethylene rings and caps.**

Technical features:

- Material: Nordic pine wood
- Pressure-treated wood in autoclave
- With benches with backrests
- Equipped with a roof
- Stainless steel fixing elements and polyethylene caps
- Ground anchoring
- Dimensions: W.2758 x D.2000 x H.2512 mm
