Picnic table with wheelchair access space h575_40

Picnic table with benches in thermo-treated pine and space for wheelchairs, for outdoor areas. Dimensions 250 x 178 x 87 cm.

The **picnic table with benches and wheelchair space in thermo-treated pine wood** is an outdoor furnishing solution designed for setting up picnic areas and natural parks. The configuration includes a dedicated space for wheelchair users, promoting the shared use of rest and refreshment areas.

Made of **thermo-treated pine wood**, the table is designed for outdoor use and exposure to weather changes. The structure includes a table with benches and a space intended for the positioning of a wheelchair.

The design, characterized by a **rustic and elegant style**, makes the set suitable for inclusion in various outdoor contexts, particularly in green areas and equipped natural spaces.

With overall dimensions of **250 x 178 x 87 cm**, the table allows for the organization of picnic stations and refreshment moments, also providing space for people who use a wheelchair.
