Pizza prep table with rear splashback h220131

AISI 304 stainless steel pizza work table, 100x60 cm. Includes 4 cm splashback, lower shelf, and adjustable legs for professional use.

The **AISI 304 stainless steel** work table is specifically designed for the needs of baking laboratories, pizzerias, and professional kitchens. The structure is conceived for the intensive preparation of doughs, pizzas, and focaccias, ensuring a hygienic, robust, and corrosion-resistant work surface. The presence of the **4 cm rear splashback** protects the walls from splashes and food residues, while the **rounded edges** increase operator safety during work phases. The integrated **lower shelf** allows for optimal kitchen organization, offering additional space for equipment or raw materials.

Technical characteristics

- **Material:** AISI 304 stainless steel with professional finish
- **Dimensions:** 100 x 60 cm (length x depth)
- **Height:** Adjustable from 85 to 90 cm
- **Structure:** 40 x 40 mm square tube legs
- **Feet:** Height-adjustable up to 5 cm for optimal leveling
- **Splashback:** Integrated rear, 40 mm height
- **Safety:** Perimeter rounded safety edges
- **Equipment:** Steel lower shelf included
