

## Play composition with climbing net h575\_93

Multi-play structure for playground. Recommended age: 2-6 years

**Multi-play composition** ideal for playgrounds, promoting interaction among younger children. Recalling the shape of a **small boat**, it stimulates the imagination of young sailors, encouraging them to set sail together for new adventures. The structure is made with 90x90 mm aluminum posts, with rounded corners (r. 10 mm), and powder-coated steel tubes. It **is equipped with panels**, tables and benches in HDPE sandwich (15 mm thick), and rope climbing nets. The playground is enriched by a Forex flag.
