

Playground swing h350_365

Single-seater playground swing. Flat seat. Age of use: 3-12 years.

Swing for outdoor spaces of schools and parks. The structure is made of electro-galvanized and painted steel. The swing consists of a horizontal beam and 4 oblique, shaped uprights connected via appropriate welded attachments to the crossbar. The swing features a **flat seat** in shock-absorbent rubber with an internal aluminum profile core and fire-welded close-link chains.
