

Playhouse with double doors for nursery school h999_43

Playhouse with double doors for nursery school (90x106x120 cm). Giant structure ideal for stimulating children's strategy and reflexes.

The **playhouse with double doors for nursery school h999_43** is a giant-sized play structure designed for setting up children's recreational areas. Aimed at educators, nursery schools, and play centers, this equipment meets the need to create a stimulating and safe play space. Through independent exploration and role-playing inside and outside the playhouse, children are encouraged to develop strategy, motor reflexes, and imagination. The dimensions of 90x106x120 cm guarantee an accessible station for little ones and are easily manageable by staff during educational activities, supporting moments of celebration and sharing within school contexts.
