

## Plexiglass pod holder display h524\_03

Plexiglass pod and/or spoon holder display with metal sides. Available in two finishes: gold and silver.

The proposed product is a convenient and elegant **pod holder or spoon holder** dispenser. On the sides of the display, there are **two metal plates**, while the structure is made of **transparent plexiglass**. It is possible to display two different types of products thanks to the **removable central** plexiglass divider. The product is ideal for bars, restaurants, yogurt shops and ice cream parlors.

### Technical features:

- Material: plexiglass
- Sides: metal
- Finish: gold or silver
- Measurements: 30x20H
- Weight: 2.5 kg
- Removable divider
