

Portable massage bed h33302

Portable suitcase medical bed ideal for massages. Wooden structure and foam mattress. Adjustable height 60-90 cm. Massage table made of cherry wood, guaranteeing stability, sturdiness, and safety. Elegant design with attention to detail. The 5 cm thick high-density foam mattress makes the bed comfortable and relaxing, soft to the touch. The structure is foldable; once closed, the bed becomes a convenient suitcase with a handle for easy carrying.
