

Preschool cabinet h927_13

Nordic style school cabinet with doors and lock, 90x42x197 cm. High-resistance structure designed for secure organization in classrooms.

This **school cabinet** with Nordic style finishes has been designed to meet the storage and containment needs of modern educational environments. The structure combines a clean and bright aesthetic with **high durability**, making it a piece of furniture capable of withstanding the stresses typical of intensive school use. Thanks to the presence of doors, it allows visual order to be maintained within the classroom, protecting teaching materials from dust and unauthorized access.

Technical features
