

Preschool cabinet with 2 doors h848_20

Preschool cabinet h848_20 in beech melamine (104x45x105h cm) with 2 doors, 4 plastic trays and masonite back.

The **Preschool cabinet with 2 doors h848_20** is a bookcase and storage unit for managing and organizing teaching materials and toys in educational environments. This unit responds to the operational need to organize and store books, stationery and small items in a single element, combining closed compartments and quick-access trays. Aimed at school managers, educators and purchasing managers for preschools and public bodies, the cabinet features a structure in beech melamine with a thickness of 18 mm and a white masonite back. The bookcase includes shelves with a thickness of 25 mm, 2 doors in beech melamine and 4 plastic trays included in the supply. The dimensions of the structure are 104 x 45 x 105 h cm.
