FAQ:

1. **What age is this small armchair suitable for?**
From 4 to 6 years, thanks to the seat height of 31 cm (size 2).
2. **Does it comply with school regulations?**
Yes, it complies with the EN 1729 standard on ergonomics for school furniture.
3. **What materials are used?**
Painted steel structure and beech plywood seat/backrest.

4. **Are armrests useful?**

Yes, they offer postural support and help the child sit independently.

5. **What are its dimensions?**

The dimensions of the small chair are W 28 x D 28 x H 31 cm.

Mini buying guide:

Small armchairs with armrests are an ideal choice for preschool children, especially in the **4-6 years** age group.

Size 2 (31 cm) ensures an appropriate seat height, while materials like **beech plywood** and **steel tubing** ensure solidity and hygiene.

The **armrests** not only increase comfort but also promote correct posture and children's autonomy. **Compliance with the EN 1729 standard** is essential to ensure safety and well-being in the classroom.

Preschool armchair size 2, children's chair with armrests, steel and beech kindergarten chair, ergonomic school furniture 4-6 years, child steel structure chair, school chair with wooden seat.
