

Preschool coat rack with bottom shelf h908_144

Metal and melamine easel-style coat rack for schools, 24 positions with hangers and bottom shelf on wheels. Dimensions 200x50x155 cm.

The **h908_144** coat rack is a professional furnishing solution designed specifically for organizing spaces in **preschools and primary schools**. The double-sided easel configuration allows for optimizing clothing management in high-traffic environments, ensuring order, hygiene, and ease of access for young users.

The **painted metal** supporting structure is mounted on swivel wheels, a feature that gives the module excellent mobility to quickly reconfigure classrooms or corridors. The **melamine** center panel ensures resistance to daily wear and tear, while the integrated bottom shelf provides additional space for storing shoes, backpacks, or containers for teaching materials.
