

Preschool school desk height 460 mm h979_11

Preschool school desk with melamine top and metal structure. Height: 460 mm. Size: 1. Dimensions: W 895 x D 685 x h 460 mm.

The **h979_11 preschool school desk** is designed to guarantee **durability, safety and comfort** in school contexts. Thanks to the **curry yellow melamine top** and the **RAL 9010 white steel structure**, it is a modern and functional solution for **nurseries, preschools and educational environments**.

The table top is **19 mm melamine**, with **2 mm ABS edges and PUR glue**, which offers excellent resistance to scratches and moisture.

The **steel structure** is composed of **Ø35 mm tube legs with a thickness of 1.5 mm**, fixed to the top via a **6 mm thick welded steel sheet**, guaranteeing robustness and stability. Each foot is equipped with **adjustable levellers**, to adapt perfectly to different surfaces.

The finish is made with **electrostatic epoxy-polyester powder coating**, with **microcrystalline anti-corrosion treatments and passivation**, increasing the resistance and adhesion of the color by **300%** compared to standard processes.

The desk is **supplied disassembled**, with **simple assembly via M6 screws included in the supply**, allowing for quick and safe installation. Furthermore, it is certified according to **ISO 9001, 14001 and 14006** standards, guaranteeing the quality of materials and production processes.

Guarantee children a safe and resistant desk! Buy the h979_11 model now or request a personalized quote.
