

Preschool wardrobe with low doors h175_29

Furniture for preschool with low doors and visible upper shelves.

Preschool wardrobe made of wood, equipped with **2 continuous visible upper shelves** and 2 low doors. The front part is characterized by the presence of a melamine-faced wood frame, rounded at both edges and corners; this, in addition to giving a touch of aesthetic elegance to the whole, ensures the child's safety in case of impact against the surface of the module. The furniture rests on **plastic feet** that make it stable and isolated from floor moisture, allowing cleaning of the area below. Preschool furniture ideal for storing school supplies and toys.
