

Presidential armchair in eco-leather h163_48

Executive armchair in eco-leather with plywood wooden monocoque. Dimensions: W.62 x D.70 x H.109 cm.

The executive seat is indispensable for offices and companies where managers and supervisors work for several hours a day sitting at a desk. The comfortable seat ensures correct posture and the necessary comfort to perform one's work at its best. The armchair features a **black eco-leather** upholstery and a structure with a curved plywood wooden monocoque. Thanks to a gas pump, it is possible to adjust the height up to 109 cm. The black nylon base is equipped with nylon wheels that allow moving from one position to another in a fast and practical way.

Technical features:

- Curved plywood wooden monocoque
- Padding: 5 cm thick foam
- Mechanism: tilting movement
- Elevation: gas pump
- Seat height: 42 cm
- Seat width: 50 cm
- Base overall dimensions: 70 cm
- Dimensions: W.62 x D.70 x H.109 cm
