

Primary and secondary school chair in beech wood h908_221

Professional school chair in beech wood and steel, 40x40x46 cm, size 6. Ergonomic and UNI EN 1729 compliant for primary and secondary schools.

The **H908_221 primary and secondary school chair** is a technical piece of furniture designed to meet the rigorous demands of modern educational environments. Manufactured in compliance with **European UNI EN 1729 standards**, the chair guarantees high standards of ergonomics, safety, and mechanical resistance. It is specifically intended for students in the final years of primary school and lower secondary school (size 6), solving issues related to prolonged posture and the intensive wear typical of school classrooms.

Technical features

- **Supporting structure:** Round steel tube Ø 22 x 1.5 mm with double reinforcement blade welded under the seat.
- **Surface treatment:** Epoxy powder coating oven-baked at 200°C, after degreasing and phosphating.
- **Seat and backrest:** Monocoque in press-curved beech plywood, minimum thickness 7/8 mm.
- **Ergonomics:** Anatomical shaping with curved front edge and rear hole for easy grip.
- **Safety:** Non-toxic and class 1 fire-retardant wood coating.
- **Assembly:** Fixing via 8 expansion rivets in aluminum or steel.
- **Base:** Non-slip ribbed plastic feet, silent and replaceable.
- **Dimensions:** W 40 x D 40 x H 46 cm (Seat height).
- **Regulatory compliance:** UNI EN 1729-1:2016, UNI EN 1729-2:2023, UNI EN 1728:2012.
- **Space management:** Stackable structure.
