

Primary school desk h.64 h172_264

Primary school desk size 4 (70x70xh64 cm) without undershelf. Tubular steel structure, ivory melamine top and beech edge.

The **primary school desk h.64 h172_264** is a teaching station designed specifically for furnishing school classrooms. Aimed at comprehensive schools, school managers, and education sector suppliers, this furniture solves the need to equip training spaces with ergonomic, stable stations free from lower obstructions, being intentionally configured without an undershelf. The square structure with dimensions of 70 x 70 x 64 cm meets the precise dimensional standards set for size 4, ensuring correct postural support for pupils. The ivory-colored melamine worktop with a beech edge, combined with the solid load-bearing structure in 40 cm diameter tubular steel, ensures high durability over time and facilitates daily sanitization operations within the classroom.
