

Primary school desk h.76 cm h172_262

Primary school desk size 6 (70x70xh76 cm) without undershelf. Tubular steel structure, ivory melamine top and beech edge.

The **primary school desk h.76 cm h172_262** is a teaching workstation developed specifically for furnishing school classrooms. Aimed at comprehensive schools, school managers and education sector suppliers, this furniture solves the need to equip training spaces with ergonomic, solid workstations free from lower obstructions, being intentionally designed without an undershelf. The square shape with dimensions of 70 x 70 x 76 cm meets the dimensional standards provided for size 6, ensuring correct postural support for pupils. The ivory-colored melamine worktop with a beech edge, combined with the solid tubular steel bearing structure, ensures long-term durability and facilitates daily sanitization operations within the classroom.
