

Primary school desk h76 cm h364_86

Single-seater primary school desk h76 cm. Painted steel structure, 70x50 cm anti-reflective laminate top. Compliant with UNI EN 1729.

The **primary school desk h76 cm h364_86** from the Cam basic Line is a technical furnishing solution specifically designed to guarantee ergonomics, safety, and resistance within classrooms. Aimed at public schools, private schools, and procurement managers for the Public Administration, this single-seater desk solves the need to equip educational environments with robust workstations that comply with current European regulations. The adoption of a solid tubular steel frame treated in a thermal tunnel prevents wear over time, while the fibrous wood conglomerate writing surface with an anti-reflective finish ensures comfortable support for students, reducing visual fatigue during lessons. The spacious under-desk metal grid compartment also optimizes the management of school materials, promoting individual order.
