

Primary school desk size 6 h172_259

Primary school desk size 6 (70x50xh76 cm) with ivory melamine top and beech edge. Supporting structure in robust tubular steel.

The **primary school desk size 6 h172_259** is a study station developed specifically for furnishing school classrooms. Aimed at comprehensive schools, school managers, and suppliers in the education sector, this furniture definitively solves the need to equip teaching spaces with ergonomic, stable stations resistant to intensive daily use. The configuration with dimensions of 70x50x76 cm meets the dimensional standards provided for size 6, guaranteeing correct postural support for pupils. The ivory-colored melamine worktop with a beech edge, combined with the solid supporting structure in tubular steel, ensures long-term durability and facilitates sanitization operations within the school context.
