

Primary school desk with footrest h908_61

Single-seater school desk in steel with integrated footrest, 70x50 cm top and wire grid undershelf. Ergonomic and robust for primary schools.

The **h908_61 single-seater school desk** is a technical furnishing module designed for the primary and secondary school environment, where postural ergonomics and space management are fundamental requirements. The structure is characterized by the integration of a **fixed footrest**, an essential element to promote weight relief for the lower limbs and maintain correct spinal alignment during prolonged teaching activities.

The 70x50 cm worktop offers an adequate surface for books and digital devices, while the **wire grid undershelf** allows natural ventilation of the stored materials and quick visual inspection. Structural stability is guaranteed by the steel tube frame with oversized diameter, curved to eliminate sharp edges and increase passive safety in the classroom.

Technical specifications

- **Structure:** High-resistance curved Ø28 mm steel tube.
- **Worktop:** Dimensions 70 x 50 cm with rounded corners.
- **Storage compartment:** Electrowelded wire grid undershelf.
- **Ergonomic system:** Footrest integrated into the load-bearing structure.
- **Total dimensions:** W 70 x D 50 x H 64 cm.
- **Finish:** Wear and scratch-resistant industrial painting.
