

Professional air cooler h923_03

Low energy consumption air cooler for warehouses. Dimensions: W. 84.2 x D. 53.2 x H. 144.8 cm.

The **professional industrial air cooler** is ideal for warehouses, industries, and sheds. The **quiet portable air cooler** has **low energy consumption** and high **cooling capacity**. The product is equipped with a **robust UV and corrosion-resistant frame**, **water tank** and hose connection for automatic filling, offers **three ventilation speeds**, an **LCD control panel** on board, **remote control** and **automatic shut-off** to protect the pump. The product is easily maneuverable thanks to the **four wheels**.

Technical features:

- Dimensions: W. 84.2 x D. 53.2 x H. 144.8 cm
- Weight: 33 kg
- Airflow: 8000 m³/h
- Maximum area: 180 m²
- Power supply: 230V / 1Ph / 50Hz
- Electrical connection: Schuko
- Power consumption: 300 W
- Tank capacity: 90 l
- Absorbed current: 1.3 A
- 3 ventilation speeds
- Noise level: 54 dB(A)
- Automatic restart after a power outage
- Washable air filter

INFORMATION

- **Tank capacity** 90 l
- **Air flow rate** 8000 m³/h

Professional air cooler h923_03

Tank capacity: 90 l

Air flow rate: 8000 m³/h
