

Professional cleaning trolley h676_02

Multipurpose professional cleaning trolley in polypropylene. Dimensions: L.134 x D.65 x H.110 cm. Capacity: 120 L.

The 3-compartment professional cleaning trolley represents the ideal solution for cleaning large environments, such as shopping malls, airports, schools, and universities. Thanks to the foldable bag holder, the trolley is also suitable for storage closets with space constraints. **The product features a sturdy polypropylene structure, naturally rust-proof and elastic.** **The closed 3-compartment trolley allows for the collection of up to 120L** and, thanks to the 2 buckets with wringer, ensures efficient and rapid cleaning. The components are made of PSV (Second Life Plastic) certified recycled plastic.

The product is equipped with:

- Rectangular bucket with handle, 4L, red
- Rectangular bucket with handle, 4L, blue
- Rectangular bucket with handle, 4L, yellow
