

Professional cleaning trolley h694_03

Cleaning trolley for schools and universities equipped with a side tray with buckets. Dimensions: 95 x 83 x H.101 cm.

The professional cleaning trolley is the perfect ally for disinfecting and making environments accessed daily by many people shine, such as schools, universities, hotels and public buildings.

The trolley is made of high-quality materials, which guarantee robustness and long product life.

The trolley consists of: **a 25-liter bucket, an 18-liter bucket and two upper 6-liter buckets** each. The product is also equipped with **a bag holder** (bag not included), a **down-press wringer** and a **side mop holder**. Laterally it is also equipped with a tray with two buckets of 6 liters each.

The rubberized **swivel wheels** ensure stability and quick, easy movements.
