

Professional hotel toaster h110_123

Vertical toaster for professional use. Production capacity: 600 toasts per hour. Dimensions: W46 x D32 x H57 cm.

Conveyor toaster specifically for use in hotels, sandwich shops and pubs. To be placed on breakfast room buffets to allow guests to independently prepare toast and sandwiches or to be installed in pub and sandwich shop kitchens to prepare sandwiches and/or burgers. Thanks to the **automatic conveyor operation**, it allows you to prepare **up to 600 toasts per hour** and have perfect toasting in just 24 seconds. Equipped with **2 knobs for adjusting the thickness of the grids**, in order to adapt them to the size of the slices.
