

## Professional shredder h970\_02

Compact and quiet shredder for home or office, ideal for data protection. Dimensions: W 36.6 x D 25.8 x H 46.6 cm.

The **H970\_02 professional shredder** is the ideal choice for those looking for a reliable and secure solution to protect confidential data directly at their desk or in the home office. With **hardened steel cutting rollers**, guaranteed for life, this device effectively destroys not only paper, but also **staples, paper clips, magnetic cards, and loyalty cards**, offering versatility and high performance.

The technology of this model is designed for practical and smooth use: the **quiet operation** (55-60 dB) minimizes noise in work environments, while the **stand-by function** reduces energy consumption when the device is not in use. To prevent paper jams, the **automatic reverse** system acts immediately, keeping the device always operational and ensuring a trouble-free user experience.

The **H970\_02** also stands out for its ease of maintenance: thanks to the practical integrated handle, the cutting unit can be removed with one hand to empty the 25-liter container, which is capable of collecting up to **230 shredded sheets**. The 4 x 25 mm particle cut ensures a **P-4** security level, compliant with DIN 66399 standards, ideal for protecting sensitive information.

With a compact and lightweight design (4.5 kg), this shredder easily fits into any workspace, combining efficiency, reliability, and practicality.

Protect your sensitive data effectively and reliably! Choose the **H970\_02 professional shredder** for maximum security, practicality, and durability. **Buy now** or **contact us for a personalized quote**.

### Technical specifications:

- **Cutting type:** Particles (4 x 25 mm)
- **Security level:** E-3 | F-1 | P-4 | T-4 (DIN 66399)
- **Cutting capacity:** 6-7 sheets (80 g/m<sup>2</sup>)
- **Motor power:** 185 W
- **Voltage/Frequency:** 220-240 V / 50-60 Hz
- **Throat width:** 225 mm
- **Collection volume:** 25 liters (230 shredded sheets)
- **Plastic bags:** not included, available for purchase upon request and quote
- **Noise level:** 55-60 dB(A)
- **Weight:** 4.5 kg
- **Dimensions:** W 36.6 x D 25.8 x H 46.6 cm
- **Shreddable materials:** Paper, staples, paper clips, credit cards

### Options:

- **Lubricating oil:** for the cutting block 250 ml

### User benefits:

- **Maximum security:** P-4 level to protect sensitive and confidential data.
- **Versatility:** Also shreds staples, paper clips, and magnetic cards.
- **Quiet and discreet:** Ideal for shared environments thanks to low-noise operation.
- **Easy to empty:** Practical handle to quickly remove and empty the container.
- **Anti-jam:** Automatic reverse system to prevent blocks during use.
- **Energy saving:** Stand-by function to reduce consumption when not in use.

#### FAQ:

1. **Is it suitable for shredding credit cards?**  
Yes, the H970\_02 can shred credit cards, in addition to paper, staples, and paper clips.
2. **Is the device noisy?**  
No, the operation is quiet (55-60 dB), perfect for work environments or home offices.
3. **What is the lifespan of the cutting rollers?**  
The hardened steel rollers have a lifetime guarantee, ensuring long-term durability.
4. **How do I empty the container?**  
The 25-liter container is easy to empty thanks to the removable cutting unit with an integrated handle.
5. **What does P-4 security level mean?**  
The P-4 level shreds documents into very small particles (4x25 mm), ideal for protecting sensitive data.

#### Short buying guide:

When choosing a professional shredder, it is important to consider some key aspects. The **H970\_02** model is perfect if you need a high security level (P-4) to shred documents containing sensitive or personal information. Thanks to the **particle cut**, you can be sure that the data will be irrecoverable.

If you work in a small office or from home, **quietness** (55-60 dB) is essential not to disturb the surrounding environment. This model is also very practical thanks to its integrated handle that facilitates emptying the 25-liter bin. Furthermore, the **automatic reverse function** and the **anti-jam system** make daily use simple and interruption-free. Finally, with its **lifetime guarantee on the cutting rollers**, H970\_02 represents a safe and lasting investment for the protection of your data.

*Professional shredder, H970\_02, particle cut shredder, P-4 security level, confidential document destruction, quiet shredder, corporate data protection, 4x25 mm cut, compact shredder, home office.*
