

## Professional stainless steel chafing dish GN1/1 h464\_177

Professional **stainless steel food warmer for GN1/1 trays**, with removable lid and side handles. Operation: combustion.

Chafing dish in **polished stainless steel** for **GN1/1** size trays. The supply includes the water pan with a **9-liter** tray, **removable lid and side handles**. Operation occurs through **fuel (not included)** placed under the tray, which causes the water to overheat and consequently keeps the **food at temperature**. It is ideal for restaurant buffets, B&Bs, and hospitality facilities, but also for canteens.

### Technical features:

- Material: polished stainless steel
- Capacity: 9 liters
- Included: water pan, 1/1 GN food pan and lid
- Dimensions: H.270x D.590x W.332mm
- Weight: 4.1 kg
- **fuels excluded**
