

Rectangular 4-seater table and benches h463_21

H463_21 inclusive picnic table in steel and pine-effect HPL, 156x119 cm. 4-seater monobloc structure with easy wheelchair access.

The **H463_21 picnic table** with integrated seating represents an urban furniture solution designed to combine **structural resistance** and **inclusivity**. Designed for high-traffic outdoor spaces such as public parks, school courtyards and corporate break areas, the module offers a compact design that optimizes space without sacrificing comfort. Its configuration is specifically studied to guarantee accessibility for **persons with reduced mobility (PRM)** and parents with strollers, eliminating architectural barriers in gathering spaces.

Technical features

- **Structure:** monobloc in corrosion-treated and galvanized steel
