

Rectangular 4-seater table with benches h463_19

4-seater rectangular table for urban furniture in steel and HPL. Dimensions 137x118 cm, inclusive design with separate benches and pine effect finish.

The **H463_19 rectangular table** is an advanced technical solution for furnishing outdoor public spaces, designed to meet the needs of **durability, inclusivity, and resistance**. Composed of a central table and two independent benches, this set solves the issues related to universal accessibility, allowing easy placement of wheelchairs or strollers. The combination of **structural steel** and **compact HPL** ensures excellent performance in contexts subject to intensive use and prolonged atmospheric stress.

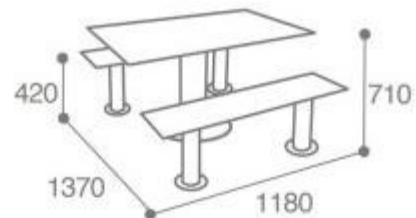

Technical features

- **Supporting structure:** Steel with anti-corrosion treatment and anti-UV powder coating, RAL 7016 grey colour.
- **Top and seats:** Compact HPL with Tyrol pine effect solid finish, resistant to scratches, humidity, and sunlight.
- **Configuration:** Modular set consisting of a rectangular table and 2 separate benches.
- **Overall dimensions:** W 1370 x D 1180 mm.
- **Height:** Table 710 mm, seats 420 mm.
- **Installation:** Self-supporting structure designed for stable fixing via bolts on rigid surfaces (concrete, porphyry, asphalt).
- **Inclusivity:** Optimized design to guarantee maneuvering space for people with reduced mobility.
- **Maintenance:** High-density hygienic surfaces, quick cleaning without the need for periodic treatments.
- **Warranty:** 2 years.
