

Rectangular 6-seater picnic table and benches h463_17

Monobloc table with integrated benches for 6 people in steel and oak-effect HPL, W 180 cm, designed for inclusivity and urban furniture.

The **H463_17 table with benches** represents a professional and robust solution for furnishing public and collective spaces. Designed to comfortably accommodate up to **6 people**, this furniture element integrates seating and a supporting surface into a single **self-supporting monobloc structure**, eliminating the need to manage separate elements and ensuring high stability. The design is focused on **inclusivity**, providing specific spaces for wheelchairs or strollers, making it suitable for school contexts, parks, and picnic areas.

Weather resistance is guaranteed by the use of **powder-coated steel** in RAL 7016 gray finish, subjected to anti-corrosion treatment. The top and seats are made of **compact HPL** with a light oak effect finish, a technical material chosen for its very high resistance to scratches, UV rays, and mechanical stress typical of intensive outdoor use.
