

Rectangular advertising flag 90 x 334.9 cm h738_166

Single-sided advertising flag with print included. Banner dimensions: 90 x 334.9 cm. Total height: 390 cm.

The **rectangular advertising flag H738_166** is an ideal promotional tool for those who wish to ensure **high visibility** for their brand in **indoor and outdoor** environments. Thanks to the **flexible fiberglass structure**, light yet extremely resistant, this flag is designed to withstand **challenging weather conditions**, while maintaining an elegant and stable shape even in the presence of wind.

The banner, made of **100% nautical polyester (100 gr)**, is printed with **single-sided sublimation** technology, which ensures **vibrant**, sharp, and long-lasting colors. The print is **included in the price**: the customer simply needs to provide their graphics to start production. The **black finish** of the structure gives a professional and neutral touch, adaptable to any context of use, such as **fairs, corporate events, commercial entrances, and points of sale**.

The total height of the structure is **390 cm**, with a banner measuring **90 x 334.9 cm**, ideal dimensions for high-impact communication, visible even from a distance. If used outdoors continuously (24/7), the banner's duration is approximately **90 days**. In indoor environments or with partial exposure, the duration can reach **over 12 months**.

The base is not included, allowing you to choose the support best suited to your needs (sold separately).

4. **What are the dimensions of the banner?**
The banner dimensions are 90 x 334.9 cm.
5. **Is the structure easily transportable?**
Yes, the fiberglass structure is lightweight, detachable, and easily transportable.

Mini buying guide:

Choosing a **rectangular advertising flag** like the H738_166 model is an effective strategy to capture attention in crowded or high-traffic areas.

When purchasing, always consider the total height of the structure in relation to the distance from which it must be seen.

The **wind and weather resistance** makes this model particularly suitable for outdoor contexts, while the elegance of the print on **nautical fabric** guarantees a great impact even indoors.

Remember that the **provided graphics** must comply with technical guidelines to ensure a quality print.

Evaluate the purchase of an **appropriate base** according to the installation surface: floor, lawn, concrete, or sand.

Rectangular advertising flag, flag with printing included, outdoor advertising sail, wind-resistant outdoor flag, single-sided polyester flag, personalized promotional flag, flag without base.
