

Rectangular fast food tray with handle h30322

Euronorm tray, ideal for fast food and catering services equipped with an ergonomic handle. Stain-resistant and scratch-resistant. Available in multiple colors. Dimensions: 530 x 370 mm.

Euronorm tray perfect for use inside fast food outlets, snack bars, cafeterias, bistros, or catering services to serve **various types of dishes**.

The **rectangular-shaped** tray with **reinforced rounded corners** enjoys greater **impact resistance**.

The **ergonomic handle** makes the product **practical** to use and move.

Thanks to the possibility of stacking the trays on top of each other, available **space can be optimized**.

The tray is made of **polypropylene** certified for **food use** and for coming into contact with food.

The product is therefore **safe** and **heat-resistant** as well as resistant to thermal shocks (-10°+ 85°C).

The tray is **stain-resistant** and **scratch-resistant**, making it **durable over time**.

Once used, the product is **easy to clean** and is suitable for **professional dishwashers**.

The package consists of 20 trays with external dimensions: **530 x 370 mm**.

Technical features:

- Material: PP (polypropylene) 100% food-grade
