

Rectangular school desk with footrest h848_40

School desk h848_40 (70x50x71h cm) in melamine 20 mm thick and Ø 28 mm tubular frame with footrest. Light grey/metallic frame, ivory top.

The **Rectangular school desk with footrest h848_40** is a table with a melamine top and footrest without an under-top shelf, designed for the creation of single workstations within classrooms and school environments. This furniture item solves the operational need for an essential work surface by integrating a specific foot support to promote the correct position of the student during lessons. Intended for kindergartens, schools, and training centers, the desk is classified in size 5, with dimensions of 70 x 50 cm, a height from the ground of 71 cm, and a net weight of 11.00 kg. The supporting structure uses tubular legs with a diameter of 28 mm, provided in Light Grey and Metallic color options. The rectangular worktop is made of Ivory-colored melamine with a thickness of 20 mm.
