

## Recycling bin for waste separation h86\_112

Indoor recycling bin in metal. Capacity: 2 x 75L. Available in different finishes. Dimensions: W.500 x D.450 x H.900 mm.

**The indoor recycling bin** is an ideal product for offices, public activities, and waiting rooms. The product features a **solid steel structure** equipped with its **supports for 2 bags** with a capacity of **75 liters each**. The bags remain securely attached to the structure thanks to an **easy-to-mount elastic belt**. The crossbar and the lower support are painted in **white**, while it is possible to receive the **lids** by choosing between two options: **RAL 5002 blue and RAL 1021 yellow or RAL 7033 grey and RAL 1021 yellow**.
