

Recycling bin h424_117

Waste collection container for stations with 220-liter capacity. Dimensions: W. 118.2 x D. 39 x h. 96.5 cm.

Waste collection container robust and elegant, suitable for stations and shopping centers. The bin features a double metal structure that offers greater resistance, an internal bag-holding ring, and an easy emptying system that ensures the extraction of the bag without breakage. The container can be **fixed to the ground** using 4 M8 expansion bolts (not included). This product has successfully passed functionality and resistance tests under real conditions of use.

Technical Features:

- Material: steel
- Capacity: 220 liters
- Fixing: to the ground via bolts
- For indoor and outdoor use
- 4 bins
- Bag-holding ring
- Dimensions: W. 118.2 x D. 39 x h. 81.5 cm
