

## Recycling bin h86\_249

Indoor recycling container with support for two bags and colored lids.

**The indoor waste container** is the ideal product to ensure correct waste separation inside public buildings, schools and universities. The product features a **UV-resistant powder-coated steel structure** and is also equipped with supports for 2 bags of **75 L** each, with **ultramarine blue RAL 5002** and **yellow RAL 1021** colored lids. Thanks to the reduced opening of the lids, it is also possible to limit the introduction of bulky objects.

### **Technical features:**

- Dimensions: W. 500 x D. 450 x H. 900 mm
- Material: painted steel
- Support for 2 bags of 75 L each
- Bags not included
- Lid colors: yellow 1021 + blue 5002
- Anti-bulk
