

Refrigerated buffet display case h110_152

Refrigerated buffet display case in painted steel. Dimensions: W. 38 x D. 46 x H. 39.5 cm.

The **h110_152 refrigerated buffet display case** is a high-end professional display unit, designed to maintain the freshness of food during service in catering, restaurants and hotels. The frame is made of solid **black epoxy powder-coated steel**, ensuring a modern aesthetic and high resistance to wear. The refrigeration system is based on a **eutectic plate** that accumulates cold, transferring it to the upper porcelain plate. The display case is completed by a stainless steel drip tray and a **removable tempered glass** top protection, which ensures hygiene and maximum visibility of the displayed products.
