

Restaurant service cabinet h684_109

Elegant large professional waiter station (96.5x53.3x182h cm) with reinforced base and wheels Ø 125 mm. Laminate structure with aluminum details, equipped with 3 adjustable drawers, 3 lower doors and upper compartments closed by flaps.

The **elegant service cabinet for restaurants** is a high-profile waiter station, designed to combine a modern aesthetic with superior structural resistance. Made of **laminated wood** with refined **aluminum-colored details**, this model stands out for its completely closed configuration: the upper part is protected by flaps to ensure maximum hygiene, while the reinforced base rests on **oversized 125 mm wheels**. Equipped with an ergonomic push handle, the cabinet offers impeccable organization thanks to the **3 drawers with adjustable dividers** and the **3 lower doors** with repositionable shelves, making it the ideal tool for managing prestigious rooms and intense workflows.
