

Retractable belt stanchion h551_05

Black post with conical base and 3-meter belt. Belt available in different colors. Height: 100 cm.

The retractable belt stanchion is the ideal product for all those places where there is usually a large influx of people, such as airports, stations, shopping centers, and museums. Thanks to the belt barrier post, it is indeed possible to limit the number of people at the entrance of these facilities to comply with **safety regulations** and **avoid overcrowding**. The **belt reaches a length of 3 meters**. The base **with a thickness of 6 mm and a diameter of 35 cm** gives the product greater stability. The belt is available in the following colors: black and red.
