Rigid teardrop placemat for restaurants h1025_48

Rigid teardrop placemat for restaurants (38.5x30 cm) in eco-friendly faux leather. Thickness 4.08 mm, resistant to liquids and wear.

The **rigid teardrop placemat for restaurants h1025_48** is a professional solution with a refined design, conceived to enhance table settings in the hospitality sector. With its dimensions of 38.5x30 cm, this placemat optimizes space and ensures maximum versatility in every mise en place concept. Developed to solve operational problems related to wear and frequent staining, it features a solid structure with an inner cellulose board core and a double protective layer in eco-friendly faux leather. This composition ensures high resistance to liquids and time, eliminating the risk of cracking or deterioration. Easy to sanitize and finished with careful stitching, it combines elegance, functionality, safety and sustainability for intensive daily use.
