

Round table and 6-seater picnic benches h463_16

Round table in steel and HPL with Tyrol pine effect, 187x161 cm, 6 seats with inclusive access and umbrella hole. Robust solution for urban furniture.

The **H463_16 round table with benches** represents an advanced solution for the setup of **outdoor social areas** in public and high-traffic contexts. Designed with an **inclusive** approach, this monobloc module integrates six seats and a dedicated space to easily accommodate **wheelchairs or strollers**, ensuring equal use of urban space. The structure combines the solidity of metal with the resistance of high-pressure laminate, solving issues related to mechanical wear and constant weather exposure in parks, school courtyards, and picnic areas.

Technical features

- **Structure:** self-supporting monobloc in anti-corrosion treated steel.
- **Metal finish:** anti-UV powder coating in RAL 7016 grey.
- **Top and seats:** solid core compact HPL, Tyrol pine effect, resistant to scratches and weather.
- **Configuration:** 6 seats on integrated benches + space for accessibility.
- **Total dimensions:** W 187 x D 161 x H 77 cm.
- **Seat height:** 462 mm.
- **Setup:** integrated central hole for an umbrella.
- **Installation:** designed for ground fixing via anchor bolts on rigid surfaces (concrete, porphyry).
- **Warranty:** 2 years for manufacturing defects.
