

Sack truck h661_08

Manual iron sack truck for handling loads up to 150 kg, with puncture-proof wheels and 300x245 mm toe plate. Robust and safe for professional use.

This **manual iron sack truck** is designed to optimize goods handling operations in professional and industrial settings. The solid structure allows for the transport of various loads, significantly reducing the operator's physical effort and solving problems related to the transport of heavy or bulky items in confined spaces or warehouses. Safety is guaranteed by the integration of **non-slip handles** that ensure a firm grip during all phases of tilting and moving the load.

Technical specifications

- **Material:** iron
- **Handles:** ergonomic non-slip
- **Toe plate size:** 300x245 mm
- **Maximum capacity:** 150 kg
- **Unladen weight:** 6.80 kg
- **Total dimensions:** W480 x D475 x H1170 mm
- **Wheels:** high-resistance puncture-proof system
